

CERTIFICATE UNDER 37 CFR 3.73(b)

Converse Technology, Inc. and Converse, Ltd. certify that they are the assignees of the entire right, title and interest in the Patents identified in Schedule A by virtue of:

An assignment from the inventor(s) of the patent applications identified in Schedule A. The assignments were recorded in the Patent and Trademark Office, please see the attached Schedule A for Reel and Frame numbers.

The undersigned has reviewed all the documents in the chain of title of the patents identified above and, to the best of the undersigned's knowledge and belief, title is in the assignees identified above. The undersigned (whose titles are supplied below) are empowered to act on behalf of the assignees.

We hereby declare that all statements made herein are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under §1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Executed this 8 day of Feb, 2011.
